Church Basement Ladies

*Music & Lyrics by Drew Jansen, Book by Jim Stowell & Jessica Zuehlke
Based on "Growing Up Lutheran" by Janet Letnes Martin & Suzann Nelson*
Church Basement Ladies, a celebration of the church kitchen and the women who work there, features four distinct characters and their relationships as they organize the food and the problems of a rural Minnesota church. From the elderly matriarch of the kitchen to the young bride-to-be learning the proper order of things, the book and music give us a touching, funny look at their lives as we see them handle a record breaking Christmas dinner, the funeral of a dear friend, a Hawaiian Easter Fundraiser, and a steaming hot July wedding. They stave off potential disasters, share and debate recipes, instruct the young, and keep the Pastor on due course while thoroughly enjoying, (and tolerating) each other. Funny and down to earth, audiences will recognize these ladies as they begin to see the Church year unfold from below the House of God.
