“FUNNY MONEY”

Sunday, October 20, 2019

One tired businessman, one briefcase full of money, two suspicious cops and one irate gangster add up to crazy comedy!

From the author of Run for Your Wife, this wild comedy starts out when mild mannered Henry finds a briefcase full of money on the train and comes home to his wife with plans for a quick getaway. Comic complications ensue when their friends, two cops, one cab driver and a dangerous gangster all show up and the alibis and identities start flying fast and furious. Will the cops turn them in? Or will they want a cut of the profits? Will Henry really leave his distressed wife behind and head for an island paradise with another woman? Will the gangster ever be able to pronounce “briefcase?” The answers to these and other questions will leave the audience in stitches!
